

GIRLAND 10M 10xE27 combined

Technical data:

Code	WOJ+14342
Voltage	250 V
Energy efficiency class	A++ to E
Protection class	II
Power supply included	+
Light source included	-
Dimmable	+
Working temperature range	-20/+40 °
Socket	E27
Degree of protection (IP)	IP44
Colour	Czarny
Dimension (AxBxC)	9920 mm
Weight	1.85 kg
For use	Inside,Outside
Assembly	Pendant
Number of pieces on the packaging	25 pcs.
Made in	PRC
Other	MAX 10 x15W LED

Additional information:

The set includes a connector to extend the garland. Number of sockets 10. Distance between the sockets: 0,95 m.
